
CE EG – Certificate of conformity

The supplier to NENKO has provided information declaring that this product has been designed and is built in accordance with CE requirements.

Product Nenko Interactive - Sense System Short Throw

Code 24562085

Directive

The CE certificate for the Sense system has been carefully compiled based on the relevant directives applicable to the individual components within the system. Each part has been assessed for safety, health, environmental impact, and performance, in accordance with European regulations. This ensures that the entire system meets the required standards and is safe for use within the European Economic Area.

Short throw beamer for projection - 02036953
